NOTE

1. Check that this question paper has **xx printed pages**. Kindly contact the room invigilator if you find any page missing or not printed.
2. This question paper has **25 multiple choice questions**. Every question has 4 options, out of which **only ONE is correct**. In case more than one option appears to be correct, choose the most suitable one.
3. There will be no **negative marking** in any question.
4. You will be given an **OMR sheet** to answer the questions. You have to fill your answer choices for each question on the OMR sheet.
5. The **OMR sheet** has to be filled using an **HB pencil only**. Use of any other kind of pencil or pen is **strictly prohibited**.
6. The proper way to fill the bubble is to color it completely using the pencil. Do not scribble, cross or tick your bubbles to mark them as answers.
7. The question paper contains **case studies**. Each case study presents a situation, real or imaginary to you. You are supposed to read it with extreme care. At the end of each case study, few questions would be asked based **only** on the information given. Please note that you **might not get the direct answer to any question asked in the case study**. You will need to analyze the information given in order to reach the most suitable alternative.
8. Please note that the question paper will **NOT** be explained in any form whatsoever.
9. At the end of the examination, you are supposed to hand over the OMR sheet to the invigilator. You can take the question paper along with you.
